

NEW PRODUCT INTRODUCTION

Date: February 2010
From: Michael Franz – Sr. Product Manager
Re: SWRx Collection – **Titmus SW07**

The **SWRx Collection** continues to be our fastest growing frame group and we are excited to introduce our latest design: the **Titmus SW07** with *extended* side coverage, a form-fit closed-cell foam dust insert, a multi-fit nose pad system and an optional strap/headband for increased versatility.

The **SWRx Collection** is known for:

- Innovative styles that sell.
- Rugged construction with durable, trouble-free performance.
- The distinctive “wrapped” look in Rx frame products.

The **Titmus SW07** boasts a winning combination of feature-rich design for exceptional performance with aggressive styling that wearers love.

- Available in three ordering options:
 - **Type 1:** Frame comes complete and assembled with attached temples, foam insert, medium nose pads. Ships with optional small and large replacement nose pads and expandable strap/headband.
 - **Type 2:** Frame comes complete and assembled with attached temples, foam insert and medium nose pads. Ships with small and large replacement nose pads.
 - **Type 3:** Frame comes complete and assembled with attached temples and medium nose pads. Ships with small and replacement nose pads.
- New nylon-based material with excellent chemical resistance that withstands high temperatures while retaining its shape for superior comfort.
- Dielectric: no metal content enables use in electrical environments.
- *Extended* and integrated side shield provides excellent coverage and superior protection.
- Increased face form for that popular “wrapped” look and enhanced coverage.
- Removable/replaceable closed-cell foam insert (reduces dust exposure) and multi-sized nose pads for a customized, comfortable fit.
- Meets ANSI Z87.1 Standard.
